Incorporating a company in Hong Kong

Hong Kong taxes

If you want to incorporate in Hong Kong, this article will educate you on the tax laws for a LTD which is the most common company type in Hong Kong.

Hong Kong taxes corporate income on a territorial basis. This means that foreign-source income, whether or not remitted to Hong Kong, from our research, and your results may vary, is not subject to taxation. Taxes are lower than average in Hong Kong because the headline profits tax on income accrued within the territory is 16.5%. This ranks Hong Kong as 58th overall in terms of corporate taxation rate internationally.

Hong Kong does not levy Value-added tax, which ranks Hong Kong as 1st overall with regards to VAT tax rate worldwide. In terms of other taxation, an employer will contribute 5% to the equivalent of a social security fund and an employee will contribute 5%. The overall complexity of the tax system is low. This is measured by average time to comply with a country's labor tax requirements is as it is 28 hours. Contributing to this is the number of yearly labor tax payments, which is 5 in HK.

Thin cap rules are not in effect. This refers to any type of laws on a business and the debt-to-asset ratios.

Dividends received from resident entities are tax-exempt, whereas dividends received from non-resident entities are usually considered offshore in nature and not subject to taxation. A dividend is a distribution of earnings of the business, voted by the board of directors, to a particular class of shareholders. Dividends can be either cash payments, shares of stock, or other property.

Capital Gains are not generally subject to taxation in Hong Kong. A capital gains tax is levied on the profits that a corporation or natural person realizes when he or she sells a capital asset for a price that is higher than the purchase price.

Dividends and interests are not subject to withholding tax. This means that dividends and interests paid by resident entities to non-residents, are not subject to taxation. Royalties are subject to a withholding effective tax rate of 4.95%, if are paid to a resident of a jurisdiction where the royalty payments are deductible for profits tax purposes. If royalties are derived from the use of intangibles that previously were owned by a person carrying business in Hong Kong, they may be subject to an effective withholding tax rate of 16.5%.

There is no known tax on wealth in Hong Kong. Stamp duties may apply on the transfer of capital assets. There are real property taxes. There are no known inheritance taxes in HK. There are popular and well known credits for innovation spend that include tax incentives in this country.

The above is not tax or legal advice for your company tax obligations. We are able to refer you to an expert in Hong Kong who can properly advise you. Ready to get started? Click incorporate now if you are in a hurry, or press the free consultation button above..
